

Ring Size Finder

PRINT THIS PAGE: For accurate ring-size results, you must make sure that you do not have "Shrink oversized pages to fit paper size" or "Expand small pages to paper size" selected in the Print dialog box. Once you have printed choose from one of the three options to follow.

Tips | Finding the perfect fit!

Tips for finding your ring size:

- ▶ Measure your finger in warm temperatures at the end of the day.
- ▶ If your knuckle is a lot larger than the base of your finger, use Option A below, except measure both the base of your finger and your knuckle and select a size in between the two.

Tips for buying a ring as a gift:

- ▶ Ask your intended recipient's mother or friend if they know his/her finger size.
- ▶ Borrow one of your intended recipient's rings and use Option B below. (Make sure to borrow a ring that fits the finger you intend your gift ring to fit.)

Other tips and information:

- ▶ When considering a wide band, move up a size from your measurement, for comfort's sake.
- ▶ Different countries have different ring-size systems. All sizes listed here are standard American sizes.
- ▶ The average woman's ring size is about 6. The average man's ring size is about 10.
- ▶ Your ring size will be about half a size larger on your primary hand (i.e., the hand you write with).

Option A

To use the Ring Sizer, follow these steps:

1. Cut out the sizer provided below.
2. Make a slot in the sizer by cutting along the dotted line.
3. Roll the sizer into a circle with the numbers on the outside.
4. Insert the end of the tab into the slot.
5. Place the sizer around your finger and pull the tab through the slot until the paper is comfortably secure around your finger.
6. Read your finger size on the scale.

Option B

Measure a ring that fits you (or your intended recipient):

Place a ring that fits you over the circle, making sure the inside of the ring lines up with the outside of the circle. If you are between sizes, order the larger size.
